Pet Pods & Glass Collection

Paw Pods

Paw Pods memorial urns are a unique product to help enable backyard burials for pets of all sizes or can be used as a vessel to hold a pet's cremated remains for display or burial, while at the same time being earth-friendly. Designed and constructed of 100% bamboo and rice husks, making them fully biodegradable, biodegrades in 3-5 years after being introduced to the environment. Each Paw Pod is accompanied with a seeded sympathy card. The pet's loved ones can choose to bury the urn and sympathy card together or plant just the seeded sympathy card and preserve the urn for display.
